NIKOLAI SHCHELKOV

has successfully completed the online Specialization

Unlock Powerful Automation and Analysis with Power Platform

Now that you have completed the Unlock Powerful Automation and Analysis with Power Platform program, you stand out with unique skills in creating no-code business solutions. This certificate demonstrates your job readiness and can be shared with your professional network. Throughout this program, you engaged with videos, assessments, and hands-on projects, gaining expertise in:

- Building custom applications using Power Apps without coding.
- Creating interactive dashboards with Power BI for business intelligence.
- Automating workflows using Power Automate.
- Developing chatbots with Power Virtual Agents.

Marni Baker-Stein

Marni Baker-Stein,
Chief Content Officer

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
